SUBJECT: Awards No. 62 through 67
February 7, 1965 Agreement
(MWE Cases)

Dear Sirs and Brothers:

We met with Referee Friedman on May 9 to receive his decisions in a number of Maintenance of Way Cases which have been previously heard by him.

I am enclosing herewith a copy of Awards No. 62 through 67, which were presented by Mr. Friedman at that time, and, of course, will be binding on all parties.

The Carrier Representatives reserve the right to Dissent to Award No. 63 and we reserve the right to Dissent to Award No. 66. We will determine a little later whether or not we will actually write a Dissent in Award No. 66. Referee Friedman submitted a number of other proposed Awards in connection with MWE Cases but we did not have an opportunity to study them carefully and as a result action on them will be postponed until our meeting with him beginning June 9, 1969 at which time he will submit proposed Awards in other cases and we will present additional MWE Cases to him.

You will be advised as hearings on these Disputes progress.

Fraternally yours,

J. E. Feightner
