

AWARD NO. 82
Case No. MW-23-W

SPECIAL BOARD OF ADJUSTMENT NO. 605

PARTIES) Chicago and North Western Railway Company
TO THE) and
DISPUTE) Brotherhood of Maintenance of Way Employees

QUESTION
AT ISSUE:

Does the attached implementing agreement proposed by the carrier fully comply with the provisions of Article III of the Agreement, and if not, in what respect should it be changed before transferring employees on the basis of these provisions?

OPINION
OF BOARD:

It is impossible to determine from the submissions whether any of the protected employees to be transferred are junior to unprotected employees in Sub-division No. 2 of the Wisconsin Division, headquartered at Waukegan, Illinois. If they are, the method of dovetailing specified in Award No. 79 (Case No. MW-20-W) should be applied. In other respects the issues are the same.

A W A R D

The Implementing Agreement proposed by Carrier should be changed before transferring employees, in accordance with Award No. 79 (Case No. MW-20-W).
